

# STAG SPARES LIST

Updated 1st April, 2025

Remember, these are all genuine new (old stock)Triumph parts!

Many Stag parts are shared with the 2000 and Dolomite range: you may find the part you are looking for in the 2000 or Dolomite list.

**"RARE"** means I have got one or more of the item in stock, but you would struggle to find one anywhere else...

Items in blue have been added to stock since August 2016

Items in purple have been added to stock since August 2021

Items in red have been added to stock since 1st January 2023

Items in GREEN were added to stock in March 2025
